TARGET MARKET

- Government contractors and subcontractors
- Small to medium-sized businesses
- Companies pursuing cybersecurity certifications including:
 - **CMMC**
 - **PCI DSS**
 - **SOC 2 Type 2**
 - **NIST**
 - **CISA**
- Businesses seeking fractional executive cybersecurity leadership
- Organizations preparing for security audits or compliance assessments

COMPANY OVERVIEW

Protego Cybersecurity LLC is a veteran-owned cybersecurity advisory and consultancy firm headquartered in Scottsdale, Arizona. We specialize in delivering tailored cybersecurity solutions designed to help organizations build and maintain strong, practical security postures. With a team of seasoned CISOs, each bringing over 25 years of experience from sectors including defense, enterprise, and global corporations, Protego provides strategic guidance for achieving certification and regulatory readiness. Our commitment is to protect businesses of all sizes—startups to Fortune 500s—by doing the right things the right way, every time.

PAST PERFORMANCE

Although Protego Cybersecurity LLC is newly established, the firm is backed by a team Chief Information Security Officers (CISOs) with significant individual experience at the following organizations:

- U.S. Army
- U.S. Air Force
- Coca-Cola
- Heineken
- IBM
- Home Depot
- Other Fortune 500 companies
- United Technologies

CORE COMPETENCIES

- **Cybersecurity Advisory Services:** Expert guidance for building comprehensive cybersecurity strategies aligned with business objectives.
- **Fractional CISO Services:** Providing companies with access to highly experienced CISOs without the overhead of full-time hires.
- **CMMC Preparation & Compliance Consulting:** Assistance with Cybersecurity Maturity Model Certification (CMMC) requirements, including pre-assessments and readiness planning.
- **Security Framework Implementation:** Supporting implementation of standards such as NIST, PCI, SOC 2 Type 2, and CISA guidelines.
- **Custom Security Posture Development:** Designing scalable security frameworks tailored to the maturity and risk profile of each organization.

DIFFERENTIATORS

- **Deep Executive Experience:** Every CISO advisor has 25+ years in cybersecurity, with leadership experience in both public and private sectors.
- **Veteran-Owned Business:** With military roots, we bring mission-critical discipline and integrity to cybersecurity services.
- **Tailored, Business-Aligned Solutions:** We focus on solutions that make business sense—not just compliance for compliance's sake.

MISSION STATEMENT

"To empower organizations to achieve cybersecurity excellence through strategic leadership, veteran expertise, and integrity-driven solutions."
